PSYCHOLOGIST

Description

Position Summary

The position in Darwin is part of IMConcepts' consulting psychology practice and is available for a psychologist with training and experience in clinical or counselling psychology, who can work well with a wide range of adult problems including emotional disorders, stress, persistent pain and relationship problems. CBT training and experience is required.

Absolute requirements

- Must be registered with the Northern Territory Health Professions Licensing Authority;
- Must have a minimum of 3 years experience as a psychologist in clinical or counselling settings;
- Capable of working with adults and with a wide range of psychological disorders;
- Psychological and clinical case assessment and planning
- Must be willing and able to work in a small team;
- Must be eligible to obtain a Medicare Provider number;
- Interest in delivering services in small group settings.

Additional preferred requirements

- Demonstrated competence in psychometric assessment and report writing
- Psychological treatment relevant to health and illness (e.g. pain management, sleep disorders, eating problems) or trauma, disability and rehabilitation

Responsibilities

All Allied Health Professionals in the practice must be able to operate independently within the framework of our organisation including being willing to undertake professional development and supervision as required and to attend occasional management meetings.

Duties include:

1. Undertake assessment and provide therapeutic treatment interventions to individuals with psychological, emotional and social problems by appointment.
2. Coordination and delivery of small group CBT programs.
3. Psychological assessment and report writing for specific purposes including insurer and third party reports.
4. Counselling individuals with persistent pain applying biopsychosocial and behavioural health models in order to promote positive change and wellbeing.

Conditions of Employment

We offer....

- Flexibility of hours, we are willing to consider part-time for the right applicant.
- Flexibility of remuneration package and benefits commensurate with skills and experience.
- Professional development program.
